

Code of Conduct for Changing Facilities

This policy outlines the expectations of all members and non-members using these changing facilities.

- Adults must use the over 18 changing facility at any time.
- Mobile phones must not be used in the changing facilities and packed away at all times at owners risk.
- These facilities are used for changing purposes only.
- Parents should only be in the changing room where parental help is genuinely required (up to 7 years old). Arrangements may be requested if there are young people with additional needs.
- Under no circumstance should the changing facilities be entered if being used by members of the opposite sex.
- We advise all members to arrive wearing their gymnastics attire underneath their clothes where possible.

If you have any concerns of unusual behaviour or someone not adhering to Basingstoke Gymnastic Club code of conduct for the changing facilities please inform the Club Welfare Officer or Senior staff member as soon as possible.
