

# Introduction

## Safeguarding is taken seriously by Farnham United Reformed Church

We acknowledge children's and adults' right to protection from abuse regardless of gender, ethnicity, disability, sexuality or beliefs. We consider that the welfare of children is paramount. We will follow legislation, statutory guidance and recognised good practice in order to protect vulnerable people in our church.

We will seek to establish a caring environment in which there is an informed vigilance about the dangers of abuse.

We will implement, maintain and regularly review the procedures outlined in this policy, which are designed to prevent and to be alert to such abuse.

We will appoint a Safeguarding Coordinator and Deputy Safeguarding Coordinator, who will have specific responsibilities for safeguarding, although we recognise that safeguarding is a whole church responsibility. The Safeguarding Coordinator is the person to whom all concerns or allegations should be addressed. In the absence of the Safeguarding Coordinator, the Deputy Safeguarding Coordinator should be contacted. Their contact details can be found in Key Contacts, on page 5.

We will organise activities in such a way as to promote a safe environment and minimise the risk of harm to children and adults.

We will follow a safer recruitment process for the selection and appointment of people to work with children or adults at risk, whether voluntary or paid, lay or ordained.

We are committed to providing support, supervision, resources and training to those who work with children and adults.

We will use rigorous and careful supervision to protect people from the risks associated with known offenders within the congregation, including implementing contracts with known offenders and those who have been assessed as posing a risk.

We believe that domestic abuse in all its forms is unacceptable and inconsistent with a Christian way of living and recognised that it can affect both adults and children.

All concerns and allegations of abuse will be responded to appropriately, including referring to the statutory authorities if necessary.

We will co-operate with the statutory authorities in any investigation, will follow multi-agency decisions and will maintain confidentiality of any investigations to those directly involved.

We will refer concerns about staff – volunteers and paid, lay and ordained – that meet the relevant criteria to the Local Authority Designated Officer.

Our *Safeguarding Policy Statement* is attached as Appendix 1.

## **Aim and purpose of this policy**

The aim of this policy is to provide procedures for promoting safeguarding, preventing abuse and protecting children, adults at risk and staff. This includes clear procedures for taking appropriate action when safeguarding concerns are raised involving children and adults within our church, or those who attend our activities and events.

## **Who this policy applies to**

This policy is approved and endorsed by the Elders Meeting and the Church Meeting and applies to:

- all those who attend our church
- our trustees and staff (both paid and voluntary)
- organisations who hire our building with agreement to operate under the church safeguarding policy

The policy and procedures should be interpreted in the light of the most recent URC good practice guidance. Children and parents/carers will be informed of this policy and our procedures.

The term 'children' refers to those under the age of 18 years.

## **Duty of care and confidentiality**

We have a duty of care to all beneficiaries of the church, whether adults or children. We will maintain confidentiality at all times, except in circumstances where to do so would place the individual or another individual at risk of harm.

## **Preventing abuse**

The church will appoint Safeguarding and Deputy Safeguarding Coordinators for safeguarding children and adults. A role description is attached as Appendix 2.

Activities will be organised in accordance with URC good practice guidelines so as to promote a safe environment and healthy relationships, whilst minimising opportunities for harm, misunderstanding or false accusation. For each event, risk assessments will be carried out, appropriate consent forms will be used (for children's activities), appropriate records will be kept and adequate insurance will be in place.

We are committed to safer recruitment and selection of all paid staff and volunteers and will ensure that these procedures are followed, which include:

- asking applicants to complete an application form
- providing workers with job descriptions and person specifications
- completion of self declaration forms
- obtaining Disclosure and Barring Service (DBS) checks wherever legally entitled to do so
- taking up two references (not from family members)
- interviewing candidates

Safeguarding training will be provided and volunteers and paid staff will be given support and supervision in their role.

All trustees, paid staff and volunteers will work within a code of conduct (code for workers attached as Appendix 3) and understand that there may be action taken if this code is not followed, possibly involving suspension or termination of working with us.

If we become aware of someone within our congregation known to have harmed children or adults in the past, we will inform the Synod Safeguarding Officer and co-operate with them and the relevant statutory authorities to put in place a plan to minimise the risk of harm to children and adults.

Organisations wishing to hire our building for activities with children or adults must confirm in writing that they will follow the principles of this safeguarding policy as a condition of the letting agreement. If they have their own safeguarding policy, they will be asked to provide a copy. If they do not have their own safeguarding policy, the church will encourage them to adopt one before agreeing to the hire, or may agree that they can follow the church safeguarding policy and procedures.

## **What are we protecting people from?**

The definitions of abuse differ between children and adults. A copy of the definitions relating to children is attached to this policy at Appendix 4. The definitions of abuse in relation to adults is attached as Appendix 5.

## **How to recognise abuse**

It is important to be aware of possible signs and symptoms of abuse. Please see Appendix 6 for those relating to children and Appendix 7 for those relating to adults at risk. Some signs could be indicators of a number of different categories of abuse.

It is essential to note that these **are only indicators of possible abuse**. There may be other, innocent, reasons for these signs and/or behaviour. They will, however, be a guide to assist in assessing whether abuse of one form or another is a possible explanation for a child or adult's behaviour.

## **What to do if there is a disclosure or allegation of abuse**

If a child, young person or adult makes a disclosure that they are being abused and / or an allegation of abuse against someone, it is important that the person being told:

- stays calm and listen carefully
- reassures them that they have done the right thing in telling
- does not investigate or ask leading questions
- explains that they will need to tell someone else if anyone is at risk of harm, in order to help them
- does not promise to keep secret what they have been told
- informs the church Safeguarding Coordinator as soon as possible (if they are implicated in the allegation, inform the Deputy or the Synod Safeguarding Officer)
- makes a written record of the allegation, disclosure or incident and signs and dates this record (using the template in Appendix 8). This should be given to the church Safeguarding Coordinator and stored securely in a locked filing cabinet

## **Procedure in the event of a concern of abuse**

If there is an immediate threat of harm, the Police should be contacted without delay.

Where it is judged that there is no immediate threat of harm the following will occur:

- The concern should be discussed with the Church Safeguarding Coordinator and a decision made as to whether the concern warrants a referral to statutory authorities (see Key Contacts, page 5 for the relevant statutory contacts)
- A confidential record will be made of the conversation and the circumstances surrounding it using the template at Appendix 8. This record will be kept securely and a copy passed to statutory authorities if a referral is made
- The person about whom the allegation is made must not be informed by anyone in the church if it is judged that to do so could place a child or adult at increased risk. If the statutory authorities are involved, they should be consulted beforehand
- The Synod Safeguarding Officer should be kept informed of any serious concerns

If someone in the church is alleged or known to have harmed children or adults we will inform the Synod Safeguarding Officer so that they can offer advice and support, and we will contact the relevant statutory authority.

## **If the allegation is regarding a church staff member or church volunteer**

For any concerns relating to children, the Local Authority Designated Officer (LADO) or the equivalent in Scotland and Wales will be contacted. The timing and method of any action to be taken will be discussed and agreed with the LADO. This will cover communication with the worker, suspension, investigation and possible strategy meetings. A decision will be taken by the LADO about when to inform the worker and the church will follow this advice. For LADO contact details, see Key Contacts, page 5.

For concerns relating to adults, Adult Social Care will be contacted. See Key Contacts, page 5 for details.

In accordance with the law, a referral will be made to the DBS if the church withdraws permission for an individual to engage in work with children/adults at risk OR would have done so had that individual not resigned, retired, been made redundant or been transferred to a position because the employer believes that the individual has engaged in relevant conduct, satisfied the harm test or committed an offence that would lead to automatic inclusion on a barred list.

In such cases, a report will also be made to the Charity Commission, as they deem such a referral to be a 'serious incident' and requires notification.

## **Concerns, Complaints and Compliments**

Should anyone have any concerns, complaints or compliments please contact:  
Mrs E Davenport, 01252 725501, beth.davenport22@yahoo.co.uk

It would be helpful to have complaints in writing, as this avoids any possible misunderstanding about what the issue is. However, whether verbal or in writing, complaints will be acted upon. Any written complaint will normally be responded to within 10 working days.

## Review

The Elders will review this policy annually, amending and updating it as required, and informing Church Meeting that this has been done.

Date of the most recent review: 16 October 2017

Date of the next review: October 2018

## Code of Conduct for working with children or young people

We should all be aware that behaviour in a worker's personal life (including online) may impact upon their work with children or young people. Therefore, all workers should agree not to behave in a manner which would lead any reasonable person to question their suitability to work with children or act as a role model within the United Reformed Church.

All workers should agree to the following code of conduct when working with children and young people:

- Do treat all people with dignity and respect
- Don't abuse the power and responsibility of your role. Don't belittle, scapegoat, put down, or ridicule a child or young person (even in 'fun') and don't use language or behaviour with sexual connotations (e.g. flirting or innuendo)
- Do act inclusively, seeking to make everyone feel welcome and valued
- Don't exclude other children or workers from conversations and activities unless there is a good reason
- Do treat people with equal care and concern
- Don't show favouritism (e.g. in selection for activities, in giving rewards, etc) or encourage excessive attention from a particular child (e.g. gifts)
- Do encourage everyone to follow any behaviour agreement or ground rules and apply sanctions consistently
- Don't threaten or use sanctions which have not been agreed, or make empty threats
- Do refer to a more senior worker if a child does not respond to your instructions despite encouragement and warning of possible consequences
- Don't feel you have to deal with every problem on your own
- Do seek to diffuse aggressive or threatening behaviour without the use of physical contact
- Don't use physical restraint except as a last resort to prevent injury. This should use minimum force
- Do relate to children in public. If a child wants to talk one-to-one about an issue, tell another worker and find somewhere quieter, but still public, to talk
- Don't spend time alone with children out of sight of other people
- Do make sure that any electronic communication is done with parental consent and is transparent, accountable, recorded and adheres to safeguarding policies
- Don't keep communication with children secret, while still respecting appropriate confidences
- Do have a designated photographer to take, store and share photos of your group's activities, in line with URC good practice guidelines
- Don't take photos or videos without consent, store them in a safe place designated by the church and only use them in the ways agreed, in line with URC good practice guidelines

- Do use physical contact wisely; it should be:
  - in public
  - appropriate to the situation and to the age, gender and culture of the child
  - in response to the needs of the child, not the adult
  - respectful of the child's privacy, feelings and dignity
- Don't use physical contact which could be misconstrued as aggressive (e.g. rough games) or sexual
- Do respect children's privacy
- Don't assume that children should tell you anything you ask just because you are a worker
- Do respect the right of children to wash, change and use the toilet in private
- Don't walk in unnecessarily or unannounced
- Do listen to children and tell the church Safeguarding Coordinator if you have any concerns about a child's welfare
- Don't promise to keep something secret if it is about a child being harmed or at risk of harm, but only tell those who need to know
- Do respect and promote the rights of children to make their own decisions and choices
- Don't work in ways that put your needs and interests before those of the children you work with
- Do encourage respect for difference, diversity, beliefs and culture
- Don't discriminate or leave discrimination or bullying unchallenged

All workers agree to abide by the above code of conduct while working with children and young people on behalf of Farnham United Reformed Church.

# Appendix 4

## What is abuse and neglect of children?

The below definitions are taken from Working Together to Safeguard Children 2013 and apply to England. Please note that there are national variations for Scotland (National Guidance for Child Protection in Scotland 2014) and Wales (All Wales Child Protection Procedures 2008).

Abuse and neglect are forms of maltreatment of a child. Somebody may abuse or neglect a child by inflicting harm, or by failing to act to prevent harm. Children may be abused in a family or in an institutional or community setting, by those known to them or, more rarely, by a stranger, for example, via the internet. They may be abused by an adult or adults, or another child or children.

### **Physical abuse**

Physical abuse may involve hitting, shaking, throwing, poisoning, burning or scalding, drowning, suffocating, or otherwise causing physical harm to a child. Physical harm may also be caused when a parent or carer fabricates the symptoms of, or deliberately induces, illness in a child.

### **Emotional abuse**

Emotional abuse is the persistent emotional maltreatment of a child such as to cause severe and persistent adverse effects on the child's emotional development.

It may involve conveying to a child that they are worthless or unloved, inadequate, or valued only insofar as they meet the needs of another person. It may include not giving the child opportunities to express their views, deliberately silencing them or 'making fun' of what they say or how they communicate. It may feature age or developmentally inappropriate expectations being imposed on children. These may include interactions that are beyond the child's developmental capability, as well as overprotection and limitation of exploration and learning, or preventing the child from participating in normal social interaction. It may involve seeing or hearing the ill-treatment of another. It may involve serious bullying (including cyberbullying), causing children frequently to feel frightened or in danger, or the exploitation or corruption of children.

Some level of emotional abuse is involved in all types of maltreatment of a child, though it may occur alone.

### **Sexual abuse**

Sexual abuse involves forcing or enticing a child or young person to take part in sexual activities, not necessarily involving a high level of violence, whether or not the child is aware of what is happening.

The activities may involve physical contact, including assault by penetration (for example, rape or oral sex) or non-penetrative acts such as masturbation, kissing, rubbing and touching outside of clothing. They may also include non-contact activities, such as involving children in looking at,

or in the production of, sexual images, watching sexual activities, encouraging children to behave in sexually inappropriate ways, or grooming a child in preparation for abuse (including via the internet).

Sexual abuse is not solely perpetrated by adult males. Women can also commit acts of sexual abuse, as can other children.

## **Neglect**

Neglect is the persistent failure to meet a child's basic physical and/or psychological needs, likely to result in the serious impairment of the child's health or development. Neglect may occur during pregnancy as a result of maternal substance abuse. Once a child is born, neglect may involve a parent or carer failing to:

- provide adequate food, clothing and shelter (including exclusion from home or abandonment)
- protect a child from physical and emotional harm or danger
- ensure adequate supervision (including the use of inadequate care-givers)
- ensure access to appropriate medical care or treatment

It may also include neglect of, or unresponsiveness to, a child's basic emotional needs.

# Appendix 5

## What is abuse of adults at risk?

Abuse is a violation of an individual's human and civil rights by any other person or persons. Abuse may consist of a single act or repeated acts. It may be physical, verbal or psychological, it may be an act of neglect or an omission to act, or it may occur when a vulnerable person is persuaded to enter into a financial or sexual transaction to which he or she has not consented, or cannot consent. Abuse can occur in any relationship and may result in significant harm to, or exploitation of, the person subjected to it.

### **Physical abuse**

This is the infliction of pain or physical injury, which is either caused deliberately, or through lack of care.

### **Psychological or emotional abuse**

These are acts or behaviour, which cause mental distress or anguish or negate the wishes of the adult at risk. It is also behaviour that has a harmful effect on the adult at risk's emotional health and development or any other form of mental cruelty.

### **Sexual abuse**

This is the involvement in sexual activities to which the person has not consented or does not truly comprehend and so cannot give informed consent or where the other party is in a position of trust, power or authority and uses this to override or overcome lack of consent.

### **Neglect or Act of Omission**

This is the repeated deprivation of assistance that the adult at risk needs for important activities of daily living, including the failure to intervene in behaviour which is dangerous to the adult at risk or to others. A vulnerable person may be suffering from neglect when their general well being or development is impaired.

### **Financial or material abuse**

This is the inappropriate use, misappropriation, embezzlement or theft of money, property or possessions.

### **Discriminatory abuse**

This is the inappropriate treatment of an adult at risk because of their age, gender, race, religion, cultural background, sexuality, disability, etc. Discriminatory abuse exists when values, beliefs or culture result in a misuse of power that denies opportunity to some groups or individuals. Discriminatory abuse links to all other forms of abuse.

### **Institutional abuse**

This is the mistreatment or abuse of an adult at risk by a regime or individuals within an institution (e.g. hospital or care home) or in the community. It can be through repeated acts of poor or inadequate care and neglect or poor professional practice.
